# Index

*References to illustrations are printed in italic type*

Academy of Music, *90*, 91–93
Academy of Natural Sciences, 3, 17, 18, 73; compared to Lyceum of Natural History, 118; as democratic organization, 9; founding of, 16; as model for Lyceum of Natural History, 9, 19, 21; publishes journal, 34; and Puerto Rico survey, 209–210; sponsors lecture-series, 18
Adet, Pierre Auguste, 12
Agassiz, Louis, 74; establishes Museum of Comparative Zoology, 97–98
Agricultural Experiment Station (Puerto Rico), 206
Aitken, Robert T., 212
Akerly, Benjamin, 24–25
Albany Institute, 49
Albany Lyceum of Natural History, 49
Allen, George, 89
Allen, John A., 147
Allen, Timothy F., 125, 127
American Academy of Arts and Sciences, 4, 74; as patrician organization, 9
American Academy of the Fine Arts, 5–6, 37–38
American Association for the Advancement of Science, 67, 73–75, 120–121, 249; establishment of, 74; and New York Academy of Sciences, 128–131, 136
—— New York meeting, 128–131, *132*, 133–137; Biology Section, 135–136; Physics Section, 133–135; significance of, 130, 135–136, 137; speech by Frederick Barnard at, 133
American Chemical Society, 119, 120, 158; establishment of, 119, 121–124; influence of, 124; opposition to, 120, 121–124; and Scientific Alliance, 148–149, 173
*American Chemist*, 119
American Ethnological Society, 196–197
American Geographical Society, 149
American Institute, 45, 52
American Institute of Mining Engineers, 122
*American Journal of Science and Arts*, 30–32, 35, 71, 72
American Mathematical Society: and Scientific Alliance, 171–172, 173
American Medical Association: and federal regulation of drugs, 234; first meeting of, 68–69; opposition to formation of, 69
*American Mineralogical Journal*, 30
*American Monthly Magazine and Critical Review*, 25, 32
American Museum of Natural History, 96, 117, 118, 140, 143, 149, 150, 168, 173, 177, 179; establishment of, 104–105; and New York Academy of Sciences, 221; and popularization of science, 171, 174; and Puerto Rico survey, 209; and Scientific Alliance, 174; scientific research at, 171; support for, 97
American Ornithologists' Union, 149

American Philosophical Society, 3, 5, 73; as national scientific society, 2; as patrician organization, 9, 16
American Psychological Association, 196–197
American scientific community: size of, in 1819, 32
American Society for the Diffusion of Knowledge, 45
*Annals of the Lyceum of Natural History*, 29, 35–37, 73; costs of publication of, 36–37
*Annals of the New York Academy of Sciences*, 219, 221, 247–248
Anthony, Harold E., 215, 218
antibiotics: aureomycin, 224–226; chloramphenicol, 230; conferences on, 223–229; neomycin, 226–227; penicillin, 224, 226, 228; streptomycin, 224, 226, 227; terramycin, 227–229
Archaeological Institute of America, 148–149
Armstrong, Clairette, *220*
Asimov, Isaac, 248
Association of American Geologists, 67, 74
Association of American Geologists and Naturalists, 74
Astor Library, 159–160; unites with Lenox Library and Tilden Trust, 163–164
Audubon, John James, 33
Authors' Club, 46
Avery, Samuel P., 153

Bache, Alexander Dallas, 109
Bancroft, George, 85
Banks, Joseph, 15
Banvard, John, 98
Barber, Harry G., 209
Bard, Samuel, 11
Barnard, Frederick A.P., *110*, 129, 131; and AAAS, 109, 133; biography of, 108–109, 111; at Columbia, 109, 111–112, 117; compares Columbia to City College, 112; and reform at Columbia, 109, 111
Barnes, John, 18
Barnum, P.T., 98
Baudoine, Ezekiel R., 20, 24
Beck, John B., 20
Beck, Lewis C., 53
Bedford, Gunning S., 69
Bellevue Hospital, 93
Bennett, James Gordon, 79
Berkey, Charles P., 189
Bickmore, Albert, 97–98
Bigelow, John, 162
Binney, Horace, 4
Blake, Edmund, 244
*Blunt's American Coast Pilot*, 72
Boas, Franz, *192*; and American Museum of Natural History, 191, 193–194; appointed professor at Columbia, 194; biography of 190–191; as entrepreneur of science, 196–197; and New York Academy of Sciences, 194, 201; and Puerto Rico survey, 203, 212, 213
Bodley, Rachel L., 119–120
Bolton, H. Carrington, 147, 162; and Lyceum of Natural History, 120; opposes formation of American Chemical Society, 123; organizes Priestley centennial meeting, 119–121
Bonner, J. W., 213
Boston, 2; as cultural center, 3–4; scientific societies in, 74
Boston Society of Natural History, 74
Botanical Garden of Christiana, 210
Botanical Club of New York. *See* Torrey Botanical Club
Bowne, Jane, 16
Boyd, George W., 51
Braley, Alson E., 225
Brevoort, Henry, Jr., 40
Brevoort, J. Carson, 77
British Association for the Advancement of Science, 72, 74, 128–129, 191
Britton, Elizabeth Knight, 142–143, 208
Britton, Nathaniel Lord, 139, *144*, 188; establishes New York Botanical Garden, 143, 145–147; and New York Academy of Sciences, 201; organizes Puerto Rico survey, 202–203, 204–206, 209–210, 214–216; and Scientific Alliance, 141–142, 147–150, 172, 173; and Tilden Trust, 159–160, 161–162, 163; and Torrey Botanical Club, 125; visits Puerto Rico, 204–206, 208
Brongniart, Adolphe, 35
Bronk, Detlev W., 223
Bronx Society of Arts and Sciences, 124
Brooklyn Entomological Society, 136, 174
Brooklyn Institute of Arts and Sciences, 149, 154

Brown, Addison, 143, 156–158
Brown, Stewart, 85
Browne, Peter Arrell, 48
Bruce, Archibald, 30
Bryant, William Cullen, 79
Buckland, William, 50
Buffalo Botanical Garden, 209–210
*Bulletin of the Scientific Alliance*, 149
*Bulletin of the Torrey Botanical Club*, 127
Bumpus, Herman C., 174
Bureau of Ethnology, 193
Burgess, John, 109, 112, 115
Butler, Nicholas Murray, 153, 190

Cadwalader, John L., 163
Calkins, Gary N., 180
Carnegie, Andrew, 146, 149, 173
Cathedral of St. John the Divine, 153
Cattell, James McKeen, 191, 199; biography of, 195–196; as entrepreneur of science, 196–197; and New York Academy of Sciences, 201; and *Science*, 196
Central Park: Board of Commissioners of, 83, 84–86; construction of, 83–85, 85–86; control of, by Tweed Ring, 101–102; function of, 96–97; and Lyceum of Natural History, 83, 85–86
Chain, Ernst, 224
Chandler, Charles Frederick, 113, *114*, 163, 168; and American Chemical Society, 119, 121–124; and College of Physicians and Surgeons, 116–117; description of, as a teacher, 115–116; and Lyceum of Natural History, 120; and New York College of Pharmacy, 116; organizes Priestley centennial meeting, 119–120; as scientific entrepreneur, 116–117
Chandler, William, 119
Chardón, Carlos, 214, 215
Cheesman, T. M., 167
Chemical Society of Philadelphia, 3
Chemists' Club, 200
Choate, Joseph H., 129
City College (Free Academy): compared to Columbia, 87–88, 112; establishment of, 79–80; and New York Academy of Sciences, 168
City Hall, 7
Cleaveland, Parker, 31, 73
Clements, James, 22, 24
Clinton, DeWitt, 5, 7, 13, *14*, 15–16; as patron of science, 37–38
Cole, Frank N., 171
College of Physicians and Surgeons, 12, *20*, 63, 224, 225; affiliation of, to Columbia, 107, 116–117; dispute at, between faculty and trustees, 25, 27–28; and Lyceum of Natural History, 19, 20–21
Columbia College. *See* Columbia University
Columbia University (Columbia College), 3, 4, 76, 118, 140, 149, 150, 157, 159–160, 193–194; and City College, 79, 87–88; and College of Physicians and Surgeons, 107, 116–117; electrical engineering at, 197; Faculty of Pure Science, 177, gifts to, 153; graduate education at, 105, 152; law school, 107; and Lyceum of Natural History, 88–89, 91; moves to Forty-ninth Street, 88; moves to Morningside Heights, 153; and New York Academy of Sciences, 168; and New York College of Pharmacy, 116–117; reform at, 87, 105, 107; relationship of, to New York City, 152; School of Mines, 107–108, 112–113; scientific research at, 105, 170–171; and Tilden Trust, 161, 163, 164; zoology at, 177, 179–180
*Commercial Advertiser*, 79
Commoner, Barry, 248
Connecticut state geological survey, 47, 51

New Jersey state geological survey, 47, 51
New Jerusalem Church, 55
New York Academy of Sciences, 149, 164; and American Association for the Advancement of Science, 128–130, 136–137; and American Museum of Natural History, 174, 217, 221; annual exhibitions, 165–171; building fund, 221; committees, 248–249; Council, 118; growth of, 194–195, 239; headquarters, 222–223; Junior Academy of Sciences, 250; lecture-series, 165, 218; membership, 202, 217, 218–219, 237, 249; opposes formation of American Chemical Society, 121–124; Puerto Rico survey, 203–216; reorganization of, 118, 122; review of, 200–203; Science Research Training Program, 249–250; and Scientific Alliance, 148, 174–175; Scientists in Schools Program, 249; sesquicentennial celebration, 242–244; and specialist scientific societies, 139–141, 147–148, 174–176; status of, 165; and Torrey Botanical Club, 127–128; and World Science Center, 237–242. *See also* Lyceum of Natural History
—— conferences, 219, 237, 247, 249; on antibiotics, 223–230; on dimethyl sulfoxide, 232, 234–237
—— sections, 118, 177, 248; anthropology and psychology, 190, 195, 196–197; astronomy, physics, and chemistry, 197, 199–200, 217; biology, 177, 180–186, 223, 225; geology and mineralogy, 186–190, 217; oceanography and meteorology, 221; physics and chemistry, 219
New York Association for Improving the Condition of the Poor, 96
New York Athenaeum, 40
New York Botanical Garden, 150, 158, 173; control of, 145; obtains charter, 146; origins of, 142–143; and Puerto Rico survey, 209–210; support for, 145, 146
New York City, 2; cultural context of, for science, 4–8; cultural rivalry of, with other cities, 98–99; economic growth of, 4–5; science in, 7, 73, 75
New York College of Pharmacy, 43, 116; affiliates with Columbia, 116
New York County Medical Society, 25
New York Dispensary, 43
New York Entomological Society, 174
*New York Herald*, 79, 143
New-York Historical Society, 5, 15, 37–38, 40, 159–160; petitions state legislature, 76–77
New York Hospital, 96
New-York Institution, 5, *6*, 21, 22, 43, 63; scientific societies leave, 37–38, 50
New York Institution for the Instruction of the Deaf and Dumb, 105, 108
*New York Journal of Commerce*, 72
New-York Literary and Philosophical Society, 5, 12–13, 15–16, 37–38; establishment of, 13; as patrician organization, 13, 19; receives charter, 13; rivalry with Lyceum of Natural History, 24; *Transactions*, 13
New York Mathematical Society, 124, 149; and Scientific Alliance, 148
New-York Microscopical Society, 124, 150; and New York Academy of Sciences, 128; and Scientific Alliance, 148
New York Mineralogical Club, 124; and American Museum of Natural History,

174; and New York Academy of Sciences, 139–140; and Scientific Alliance, 148
New York Public Library: establishment of, 164
New York state geological survey, 47–53; and Lyceum of Natural History, 48; rationale for, 49–50; structure of, 52–53
New York State Medical Society, 69
New York University, 42, 64, 73, 76; building, 41; establishment of, 38–41, 59–60; comparison of, to Columbia, 39, 60; and Lyceum of Natural History, 89; medical school, 59, 61, 69, 76, 92; and New York Academy of Sciences, 168; opposes creation of City College, 79; and Tilden Trust, 161
Nichols, John T., 209
Novak, Grga, 244

Ogden, Gouverneur, 89
Olmsted, Denison, 71
Olmsted, Frederick Law, 84, 85, 86, 102
